How to Order the Basic Collection:

- 1) Start with the Basic Plain Album Cover
- 2) Add how many photos are going the album; that's how many mats you will need
- 3) Divide the number of photos by 2 to figure out how many pages you need
- 4) Add cover options (eg. ribbed spine, velvet inside front and back cover, slip case cover, bonded leather, genuine leather) to total.

Basic Collection Assembly

Tape the photo to the mat.

Peel off the double sidedtape.

Open the album and turn the first page.

Line up the mat and press in place.

Use our Corner Alignment Tool to make perfect mat placement every time.

*You should start placing the photos on the right hand side after you turn the first page.
